DID YOU KNOW...

...that March 14 is Save a Spider Day? In honour of our eight legged friends, we compiled a few facts that you may or may not know about them.

SPIDER FACTS

A single spider can produce up to seven different types of silk.

The UK's biggest spider is the Raft Spider, with legs measuring three inches long.

The study of spiders dates back to the first British expert Dr Thomas Muffet. Some believe it was his daughter who sat on a tuffet in the nursery rhyme

In a crisis, the PM could always rely on his Bin Doctor

SCRAP FOR CASH

At Alan's Skip Hire Ltd, we are always looking for ways to improve our service for our customers, which is why we are letting you know of our sister company's brand new scrap metal and waste electrical recycling facility.

ASH North West, located on Dunkirk Way, next to CostCo, between Chester and Ellesmere Port, is specially equipped to deal with all kinds of metal - stainless steel, aluminium, lead, copper, brass, steel and many more.

What's more, they even pay the very best prices and have instant payment available

too. All you have to do is bring your scrap to their recycling facility where it will be digitally weighed to give you the most accurate price. For large quantities, they'll even collect.

So, if you have some scrap metal lying around that you fancy recycling into cash, then please phone 0800 988 5485, or alternatively drop in at ASH North West, Dunkirk Way, Chester, CH1 6LZ for the best prices for your scrap metal.

ALAN'S SKIPS ♥ (FM) THE RADIO

103.4, quite possibly our new favourite number at the minute, as that is the FM frequency you need to tune your radio to in order to listen to our brand new Alan's Skips' and ASH North West adverts.

With over 71,000 listeners, Heart FM is one of the UK's most popular commercial radio stations and here at Alan's Skips, we are proud to be associated with the national brand that has a local heart.

So keep your ears peeled, as they say in the industry, for our new ads coming to a sound wave near you soon.
